Career Objective

Java Developer skilled in Java 8, and REST API design. Passionate about optimizing system performance and developing scalable, enterprise-level applications. Seeking an opportunity to leverage strong problemsolving skills and data structures expertise to contribute to innovative software solutions.

Education

📍 Dr B R Ambedkar University, Srikakulam (Nov 2022 – May 2024)

- Master of Computer Applications (MCA) | CGPA: 8.5/10

📍 THAMMI NAIDU DEGREE COLLEGE (June 2018– June 2021)

- Bachelor of Science (B.Sc.) | CGPA: 8.8/10

Technical Skills

- Programming: Java 8, Core Java, OOPS, Collections, Multithreading, Exception Handling, JDBC, Servlets, Hibernate, Spring.
- Databases: SQL, MySQL, Nodejs, Query Optimization.
- Web Development: HTML, CSS, JAVASCRIPT
- Version Control: Git, GitHub
- IDE & Tools: Eclipse, VS Code

Extra Curricular Activities

- Worked as Class Representative .
- Appointed As Team Lead for ZPH School teacher's for 15Days in INTERACTIVE FLAT PANNEL's Under Andhra Pradesh State Government.

Projects

📍 **Online Voting System (Java, Servlets, JDBC, MySQL, HTML, CSS)**

- Developed a secure online voting system with user authentication, real-time result updates, and an admin dashboard.
- Implemented RESTful APIs for efficient data handling and better scalability.
- Enhanced security measures, preventing unauthorized access using session handling and encryption.

📍 **To-Do List (HTML, CSS, JavaScript, NodeJS, Express, MySQL)**

- The project demonstrates full-stack development where the frontend (HTML, CSS, JavaScript) communicates with a Node.js backend to perform CRUD operations (Create, Read, Update, Delete) on tasks.
- Developed RESTful API endpoints in Node.js with Express to manage tasks like adding new to-dos, updating existing ones, deleting items, and retrieving the list dynamically.

Additional Information

- Strong problem-solving skills and I am also certified with Java full Stack developer. Passionate about software optimization, cloud computing, and scalable system design.
